

LA Now!

LA Now! has changed from a print version to an email format. This allows more people to receive information about what is happening in churches in Louisiana and around the globe and information on events that help individuals become more faithful disciples of Jesus Christ and churches become better at fulfilling their mission. Go to the link below to sign up for the email version of LA Now! (you can opt out later if needed by clicking a link on an email received). Please include notices about this awesome communications source in your newsletter and Sunday bulletins and use other means to encourage your members to sign-up for LA Now!.
