

## **Moving Costs - Clergy Income Tax AND Conference Reporting Requirements**

Revised: 3-21-2019

Z:/Finance Files/District Info/2019/v.3-21-2019 - Memo and Forms for Moving expenses

### **To: All Clergy and Churches**

#### **I. Introduction:**

Prior to January 1, 2018, reimbursement of qualified moving expenses by an employer was previously not treated as a taxable fringe benefit to the employee receiving the benefit (as outlined in the IRS Sections 217 and 132(g) and Publication 571). The recent Federal Tax Cuts and Jobs Act (the “Act”) made numerous changes including the suspension of certain applications of Sections 217 and 132(g) of the Internal Revenue Code for the period January 1, 2018 through December 31, 2025. Unfortunately, **the end result of the Act’s suspension is that any reimbursement to, or payment on behalf of, moving expenses for an employee/clergy during the same time period will need to be reported as taxable income to the employee/clergy.**

**Since many clergy will be affected by this topic on a regular basis, it is very important that all clergy and financial personnel in the local church read this memo. It is also suggested that clergy provide a copy to his/her professional tax advisor.**

#### **II. Reporting Requirements and Additional Pension Liability:**

##### **a. Form 1099 for Retired Clergy**

There is no pension liability relating to retirees moving expense reimbursements. The Conference Board of Pensions and Health Benefits office will issue the retired clergy a Form 1099 for the amounts reimbursed under the moving expense reimbursement benefit offering. The retiree clergy should use **FORM A** below for requesting reimbursement of such moving expenses from the Conference.

##### **b. Form W-2-for Active Clergy**

The local church will need to report the total of all moving expenses reimbursed to, or paid on behalf of, the clergy on his/her **Form W-2** in Box 1 as taxable income. There will be no payroll tax costs to the church associated with the amounts added to the clergy’s Form W-2. **See FORM A attached – for use by clergy to request reimbursement from his/her church.**

(Note: If the payment of moving costs is made by the Conference on behalf of, or reimbursed to, a full time clergy retiring from a local church, the Conference will issue that clergy a Form 1099-MISC reflecting the amount reimbursed for moving expenses. Retirees should use **FORM A attached** for requesting reimbursement from the Conference Benefits Office).

##### **c. Pension Plan Compensation for Active Clergy**

###### **1) Information to Report to the Conference Benefits Office**

Further, to comply with the Book of Discipline’s definition of a clergy’s Pension Plan Compensation, all income reported on a clergy’s W-2 form is considered part of his/her Plan Compensation. Therefore, the moving costs must be included for purposes of calculating the clergy’s pension obligation. Local churches will be required to report the total of moving expenses reimbursed to, or paid directly on behalf of, a clergy to the Conference Benefits Office. **See FORM B attached – DUE September 30, 2019**

###### **2) Payment of Additional Pension Obligation to the Conference Benefits Office**

The additional income of moving expenses will increase “Pension Plan Compensation” and will cause a one-time pension obligation billing from the Conference Benefits Office for affected churches. The additional pension obligation will be approximately 16% of the total moving expenses. The Conference Office will prepare a special bill for each affected church in November showing how the amounts were calculated for this portion of the active clergy’s additional pension obligation. **Payment is expected before year end.** To reiterate, the church(es) that pay for the moving costs is also responsible for the full pension liability on the amount of additional Pension Plan Compensation.

d. **Active Clergy Moves for Multi-Church Charges**

If the clergy is part of a multi-church charge or part of a dual appointment, then the church should contact the Conference Benefits Office directly on the best way to both report the information and divide the additional pension costs. Every clergy moving situation presents a unique set of factors. If the churches have any questions, please call either Sandy O'Brien or Theresa Stevens directly at 225-346-1646.

III. **Conference Moving Costs Policy for Active Clergy:** (as applicable)

The 2017 Annual Conference adopted a new Moving Costs Policy which remains in effect for 2019 and forward, whereby the Conference may share some of the moving costs expenses with the churches in selected situations for active clergy. The applicable paragraph is excerpted below:

*Moving Costs Policy, 2017 Journal Page 279: Who Reimburses the Expense*

*The receiving church reimburses the clergy person for the allowed moving expenses in most instances. A church should budget \$2,000 per year for moving until a sum of \$6,000 has been accumulated in a designated fund to be used for this expense.*

*If a church did not request a move and the present full-time clergy person has been there less than three years, then the reimbursement of the clergy person is divided as follows:*

*(1) Present clergy person has been there one year*

*a. The church reimburses 1/3 of the expense up to \$2,000*

*b. The Annual Conference through Equitable Compensation funds reimburses 2/3 of the expense up to \$4,000*

*(2) Present clergy person has been there two years*

*a. The church reimburses 2/3 of the expense up to \$4,000*

*b. The Annual Conference through Equitable Compensation funds reimburses 1/3 of the expense up to \$2,000*

If the Conference is to share in the active clergy's moving costs per the above policy, the church should initially pay for all moving costs. Then the church should request reimbursement from the Conference Office for the appropriate shared amount. **It will still be the Church's responsibility to include the total moving costs on the W-2 Form for the clergy and to ensure that the additional pension liability is paid.**

IV. **Examples:**

**Example 1:**

- On 6/27/2019, Church A reimburses FT Clergy John's moving expenses of \$3,466.15.
- On 9/15/2019, Church A reports total moving costs of \$3,466.15 for Clergy John to Conference Benefits Office.
- On 12/31/2019, Church A reports \$3,466.15 on Clergy John's W-2 Form, Box 1.

**Example 2: (Conference will bear 1/3 of this cost per new rules)**

- On 6/27/2019, Church A pays the moving company directly for FT Clergy Jane's move -\$2,466.15.
- On 9/15/2019, Church A reports total moving costs of \$2,466.15 for Clergy Jane to Conference Benefits Office.
- On 9/22/2019, Conference reimburses Church A for  $1/3 \times \$2,466.15 = \$822.05$
- On 12/31/2019, Church A reports \$2,466.15 on Clergy Jane's W-2 Form. Box 1.

V. **Questions and Support:**

There are many situations that examples will not provide enough detail to adequately address the complexity of this matter. Every clergy moving situation presents a unique set of factors. **Again, if the church is part of a multi-church charge or their clergy is part of a dual appointment, then the church should contact the Conference Benefits Office on the best way to both report the information and divide the additional pension costs. **(for Clergy to submit to church (or to Conference Office for Retirees) for reimbursement of moving costs)**

A receiving church reimburses moving expenses for the pastor to the new appointment in accordance to the Annual Conference Moving Policy. Also, the Conference Board of Pension and Health benefits reimburses retiring clergy for moving expense. The maximum amount of the moving expense is \$6,000. All clergy are asked to be good stewards and minimize these costs. The following items may be reimbursed: Supplies for packing items (boxes, tape, packing material); Rental of truck, dolly, blankets OR the costs of a moving company; Fees paid to non-related packers or non-related individuals to load and unload a rented truck; One month's rental of a pod or storage unit not to exceed 10 ft. x 20 ft.; Gas purchased for a rental moving truck, if utilized; One night stay on the road and one meal on the road for family members moving with the clergy person from the last appointment location to the new location; Mileage at the **IRS** moving rate at 18 cents between the present appointment location and the new location for one vehicle. Itemized original receipts must be provided to support all expenses – a charge card receipt without itemization does not suffice.

PLEASE NOTE THAT IN ACCORDANCE WITH RECENT TAX LAW CHANGES FOR 2018 AND FORWARD, ALL MOVING EXPENSE AMOUNTS REIMBURSED ARE DEEMED TAXABLE INCOME TO THE RECIPIENT. ALL CLERGY ARE ADVISED TO CONSULT THEIR TAX PROFESSIONALS ON HOW THIS INCOME WILL AFFECT THEIR INDIVIDUAL TAX POSITION.

- ACTIVE CLERGY RECIPIENTS WILL HAVE SUCH AMOUNTS INCLUDED IN THEIR FORM W-2.
- RETIRED CLERGY WILL RECEIVE A FORM 1099.

For clergy couples and charge and dual appointments, see rules on reimbursement in the Conference policy.

In accordance with tax law changes effective 1/1/2018 and forward, all amounts paid on behalf of, or reimbursed to, clergy for moving costs are deemed taxable income to the recipient (clergy). Recipients are required to include such amounts in their Form W-2, Box 1 at year end. Additionally, the 2016 Book of Discipline defines Pension Plan Compensation, for which the pension obligation for each clergy is calculated, as income from all sources, with the exception of amounts paid in lieu of providing health care insurance, currently not applicable in the Louisiana Conference. Therefore, churches that have reimbursed amounts to, or paid on behalf of, clergy for moving expenses are also required to report such amounts to the Louisiana Conference Benefits Office by September 30, 2019 for the sole purpose of inclusion in the clergy’s Pension Plan Compensation for the year.

This form is provided only for reporting taxable moving costs for clergy to the Conference Benefits Office and must be signed by both the clergy person and an authorized church finance representative/person who is responsible for, or has knowledge of, the appropriate systems for payroll matters.
